

# LB ENFIELD

## Civic Centre

### PROJECT BRIEF

- Refurbish seven floors of Block A, Civic Centre
- Re-model space to maximise occupancy
- Co-ordinate with contractors' timelines
- Accommodate 260 workspaces on each floor
- Design contemporary break out areas for multi-size groups
- Increase communication and connectivity

### KEY OUTCOMES

- ✓ Choice of how and where to work
- ✓ All works completed to timescale
- ✓ More contemporary flexible workspaces for all stakeholders
- ✓ Increased user satisfaction
- ✓ Reported improvements in teamwork and communication
- ✓ All items supplied eligible for Ska credits
- ✓ 100% new items recyclable at end of life and 100% packaging recycled after works completed – zero waste.
